Visit Spirit Word Ministries

Greetings to all Saints in the USA and Canada

Glory of Africa invites North Americans to contact us to plan your **travel** to the **Spirit Word Ministries** in Stilfontein, South Africa.

We are a South Africa couple, Jannie and Judy Langeveld, now living in Barrie, Canada. We are independent Travel Agents affiliated with a well established Tour Operator in Canada. God has given us the vision to arrange groups to travel to Spirit Word Ministries in Stilfontein, South Africa. We faithfully supported Prophet Kobus for many years, and used to attend meetings at the Heartfelt Arena in Pretoria and visited Stilfontein regularly. We know the terrain well and are able to give you solid, sound advice to make the most of your trip to visit Prophet Kobus at Spirit Word Ministries!

Glory of Africa specializes in organizing **travel** to **Spirit Word Ministries** for individuals and groups to experience the Power and Glory of the Almighty God during their visit.

Special meetings to note

- **Miracle Anointing Meetings, held every last Saturday of the month.** These are well attended by people trusting God for healing, miracles and breakthrough in personal lives and finances. People travel from all over Africa, and international guests have increased, especially now as the Spirit Word Channel is broadcasting to 80% of the world's population!
- **The Pastor's and Leader's conference, held in February and September every year.** Please note that conference bookings are essential.
- **Anointed meetings are held at the Heartfelt Arena Family Church in Pretoria** on the 1st Friday of every month. Pretoria is only a 1 hour drive from Johannesburg.

Visit Spirit Word Ministries on www.spiritword.org.za to learn more about Prophet Kobus and his dedicated team. This is truly a man of God who has a heart for the Kingdom, and understands the message of Grace. Since 2000 the anointing keeps increasing. Up to 7000 cripples have walked away from crutches, walkers, wheelchairs, and many have been healed of HIV/Aids, cancer and other diseases.

Keep yourself posted by visiting the "Upcoming Events" link on their website to view the diary pages for the year.

The Lord's peace be with you.
